

Relocation

- ▶ CVR offers a full range of relocation and mobility services, including Consulting, Management, and Technology Tools.

Tools and Technology

- Provide proprietary, secure, web-based tool to monitor relocation activities, which:
 - Tracks and monitors relocation progress using maps and robust dashboards
 - Produces customized reports to flag concerns and track relocation expenses
 - Permits multiple users to view relocation progress in real time
 - Enables the use of preloaded URA notices
 - Allows for remote compliance monitoring

Relocation Consulting

- Prepare detailed, HUD-compliant Relocation Plans based on project, PHA and resident needs
- Develop resident notices and informational materials
- Participate in meetings with residents and stakeholders regarding relocation rights and activities
- Oversee relocation and provide guidance, as needed
- Provide training to PHA staff and board regarding relocation requirements and resident rights

Relocation Management

- Oversee, monitor and/or perform relocation activities
- Track and report relocation expenses
- Assist in identifying temporary and/or permanent relocation options
- Meet with residents to discuss their relocation rights and benefits
- Provide mobility counseling to residents
- Offer translation services, as needed

FOUNDED on Experience,
BUILT on Performance.

For over 25 years, CVR has established a reputation of providing innovative solutions for the affordable housing industry.

Founded by a team of experienced professionals and built on a history of consistent high performance, CVR provides a full range of consulting services to our clients nationwide.

CVR's focus is on assisting clients to realize organizational efficiencies by providing technical assistance, strategic planning, technology solutions and program management for affordable housing programs. CVR's dedicated consulting teams are committed to meeting our clients' needs.

Our technical expertise, interpersonal skills and understanding of the unique challenges of each organization enable us to consult effectively with clients' program participants, property owners, community officials and other stakeholders.
